

Coaches' GAME PLAN

Skills

Sliding Behind Screens

01

Player defending screener alerts teammate that screen is coming.

02

Call out "Screen right!" or "Screen Left!" based on origin of screen.

03

Defender being screened does reverse pivot and drop step below screener's foot.

04

Other defender steps back to allow teammate to slide through.

05

Use good footwork to slide behind screen to defend again.

06

Requires quick feet and good vision.
